

SUNSHINE COAST REGIONAL DISTRICT

ADDENDUM NO.4

Request for Proposal No. 18 352

Fitness Equipment Replacement and Service Contract

Date: December 7, 2018

This addendum forms part of the contract documents and shall be read, interpreted, and coordinated with all other parts. The costs of all work contained herein shall be included in the tender submission. The following revisions, clarifications, changes, additions, or deletions supersede the information contained in the original documents to the extent referenced and shall become part thereof:

Number of pages including attachments: 1

Item No.1

Question: Is it at all possible to obtain Schedule A Pricing, B List of Contracts of a Similar Nature, C Non Acceptance of Terms & Conditions, and D List of Subcontractors in Word file format?

Answer: Yes.

Item No.2

Question: When visiting the sites I had meant to check the voltage of the existing treadmills and neglected to do so. Are the existing Technogym treadmills 240V or 120V? And what do you prefer in this regards for the new treadmills? We can provide the option of either 120V or 240V.

Answer: The current voltage for the existing treadmills is 240V and the Regional District prefers 240V.

Addendum No.4 is issued prior to receipt of submission and shall form part of the contract documents. The revisions shall clarify the information contained in the original Proposal documents issued on November 15, 2018.

If you have any questions regarding the above, please contact the undersigned.

Gordon Rischaneck – Purchasing Officer
Sunshine Coast Regional District
