

GREEN builders FORUM

September 20th
5:30 - 8:30 pm
Seaside Centre, Sechelt, BC

THE FORUM WILL PROVIDE THE OPPORTUNITY TO:

1. Discuss proposed 2012 Building Code changes.
2. See a hands-on demonstration of air leakage testing.
3. Review important new building techniques to save time & money.
4. Learn about new guidelines for EnerGuide and Energy Star.

You will find this session helpful if you are a builder, developer, realtor or building a new home as a 'homeowner builder'.

REGISTER EARLY

Send an email to ceep@scrd.ca with your name, email and phone number. For more information, contact us at ceep@scrd.ca.

COST

Free Admission. Pre-registration required.
